All courses are normally run on the latest software release. The agenda can be varied to suit a clients preferences and requirements. On completion of the course you will be presented with an Autodesk Authorised Completion Certificate. All our courses follow Autodesk approved coursework.

Stuart Taylor

Associate Director
Brownhill Hayward Brown

“

We were very pleased with the introductions and supporting guidance you [Cadspec] provided during your visit to our offices. This was invaluable to us being able to operate the software effectively on a live project, only a matter of days later.

”

Locations

Bristol
Derby
Worcester
Pencoed
Leeds

Info

All food, equipment, software & amenities are provided. Please let a staff member know of any food allergies prior to the course.
